

freestyle love supreme

From the creators of *Hamilton* and *In The Heights*, Lin-Manuel Miranda, Thomas Kail and Anthony Veneziale, comes this hip-hop musical phenomenon where the audience is treated to a freestyle “improvisational, never-before-seen comedy ride.” Audience members offer suggestions to the performers, who then spin them into instantaneous riffs and full-length musical numbers.

freestyle love supreme is “fast, furious, funny, and wildly entertaining” (*The Hollywood Reporter*). According to the production, “Part of what makes Freestyle Love Supreme so unique is its unpredictability. Every show is different in material — and in who appears onstage. Lin-Manuel is a founder, producer, and friend of the show, and at any given performance, he may or may not be part of the cast. Other special guests might include Christopher Jackson, Daveed Diggs, Wayne Brady, James Monroe Iglehart, and many more!”

“It’s a delightfully wit-laced evening of comedy rap for a wide range of ages.”
