

HADESTOWN

THE MYTH. THE MUSICAL.

This renowned new musical by celebrated singer-songwriter Anaïs Mitchell and visionary director Rachel Chavkin (*Natasha, Pierre & The Great Comet of 1812*) reimagines an extensive ancient tale as an ageless allegory for our world.

HADESTOWN revolves around two intertwining love stories — that of young dreamers Orpheus and Eurydice, and that of King Hades and his wife, Persephone — as it invites audiences on an epic excursion to the underworld and back. Performed by a lively ensemble of actors, dancers and musicians, the musical delivers a profoundly resounding and defiantly hopeful theatrical experience.

Welcome to the intriguing and beautiful world of “your next musical theater obsession” (*Vogue*), starring Reeve Carney (*Spider-Man: Turn Off The Dark*; Showtime’s “Penny Dreadful”), multiple Tony Award® nominee Andre Dé Shields (*The Full Monty*; *Ain’t Misbehavin’*), Amber Gray (*The Great Comet of 1812*), Tony nominee Eva Noblezada (*Miss Saigon*) and Patrick Page (*Spider-Man: Turn Off The Dark*; *Spring Awakening*; *Casa Valentina*).
