

POTUS

**OR, BEHIND EVERY GREAT DUMBASS ARE
SEVEN WOMEN TRYING TO KEEP HIM ALIVE**

Five-time Tony Award® winner **Susan Stroman** (*The Producers*, *Contact*, *Crazy for You*) directs **Lilli Cooper**, **Lea De Laria**, **Rachel Dratch**, **Julianne Hough**, **Suzu Nakamura**, **Julie White** and **Vanessa Williams** in this riotous comedy about a group of women doing damage control for a problematic president.

One four-letter word is about to rock 1600 Pennsylvania Avenue. When the Commander in Chief unknowingly spins a PR nightmare into an international crisis, the seven brilliant and beleaguered women he relies upon most will risk life, liberty, and the pursuit of sanity to keep him out of trouble.

An uproarious Broadway debut by playwright Selina Fillinger, **POTUS**, “an amalgamation of many men in power,” is a new comedy about the women in charge of the man in charge of the free world.
