THE REMARKABLE TALE OF A TRUE AMERICAN DREAMER

Tony Award® nominee **JEREMY JORDAN** (*The Great Gatsby; Newsies; Bonnie and Clyde*) stars in this musical based on the true story of a cave explorer in Kentucky in the winter of 1925. Joining the cast of 20 are Tony nominee **MARC KUDISCH** (*Girl From The North Country; 9 to 5; Thoroughly Modern Millie*) and **JASON GOTAY** (*Bring It On; Spider-Man: Turn Off The Dark*).

FLOYD COLLINS features a haunting exploration of the American dream by Tony Award® nominee Tina Landau (*Redwood; Mother Play; SpongeBob SquarePants*) and a glorious folk and bluegrass-inspired score by Tony winner Adam Guettel (*The Light in the Piazza; Days of Wine and Roses; To Kill a Mockingbird*).

While chasing his dream of fame and fortune by turning Sand Cave into a goldmine tourist attraction, explorer Floyd Collins inadvertently becomes the attraction himself when his foot is suddenly pinned by a rock, trapping him 200 feet underground for over two weeks.

Alone but for intermittent contact with the outside world, including his brother Homer, Floyd fights for his sanity—and, ultimately, his life—as the rescue effort above explodes into one of the country’s first-ever media circuses. Reporters and gawkers from across the country descend on the property, feeding the frenzy and manipulating the nation into holding its collective breath.
